THE POSITION

Under direction of the Senior Grounds Maintenance Supervisor and Director of Planning of Maintenance, the Crew Leader-Irrigation, performs a variety of skilled and semi-skilled sprinkler system work in the alteration, maintenance, repair and occasional new installation of both automatic and manual irrigation systems. The position involves the use of hand and power tools, including trenchers. Requires the ability to read blueprints; layout and maintain irrigation systems, and to trouble-shoot problem areas. Position works a 40 hours per week, weekday schedule, and may be assigned to work from 6:00 a.m. to 2:30 p.m., 6:30 a.m. to 3:00 p.m., or 7:00 a.m. to 3:30 p.m. This position may be called upon to provide emergency repairs during evening and weekend hours.

EXAMPLE OF DUTIES

Designs, repair, maintain, and installs automatic and manual sprinkler systems. Disassembles and repair all types of sprinkler heads, backflows and vacuum breakers, automatic time clocks, selector valves, remote control valves, etc.; installs phone and computer line conduit and wires; installs landscaping; requisitions and maintains a supply of parts needed for irrigation repairs; prepare a detailed supply inventory and cost analysis when required; supervises crew members as assigned; and perform backflow testing and certification on a regular basis. The position may perform other related work as assigned.

EMPLOYMENT STANDARDS

High school graduate or equivalent; with a detailed knowledge of manual and automatic irrigation systems including both electric and hydraulic systems with three years of related experience in irrigation maintenance or installation. Valid California driver's license and good driving record is required.

LICENSES AND CERTIFICATIONS: Must possess a current and valid Backflow Testing Certificate by the Ventura County Environmental Health Department.

PHYSICAL ACTIVITY REQUIREMENTS

This position will require standing or walking 70% of the time or more; continuously carrying loads up to 20 pounds; frequently pushing and/or pulling loads to 60 pounds and occasional lifting loads of more than 100 pounds; continuous bending and handling and dexterity; frequent kneeling/squatting, crawling, working on rough or uneven terrain; occasional reaching overhead/stretching and climbing stairs.
