Race Day Meeting:
There is a pre-race meeting for all athletes and their parent/guardian at 12:00pm at the pool before the start of the first wave. We will give you any last minute race updates or reminders and then you are free to leave and return. Those families with younger athletes may prefer not to wait at the pool. Please be on deck and ready to swim 30 minutes prior to your wave start time.

Awards:
Each athlete will receive a participant medal. The top three girls and top three boys in each division may receive prizes. It may be necessary to combine ages depending on the number of registered participants on the deadline. This event is not timed. The awards ceremony will be held directly after the run portion of the last division.

Parking:
Parking is available at the pool and around the tennis courts. A portion of the parking lot near the soccer fields will be closed for the race.

Spectators:
We allow spectators throughout the course but please be mindful and respectful of the participants and staff on the course directly. There will be plenty of cheering and viewing spots on the sidelines throughout the course.

Swim Course:
- Participants start the race in the pool. Please be ready to go 30 minutes before your start time.
  - We will be making announcements as to where your wave will meet.
- Lifeguards are on duty throughout the race.
- Kick boards and life jackets will be available for use. You may also bring your own Coast Guard approved life jackets.
- Parents may get in the pool and swim next to their child in the 5 & 6 year old divisions only.
- Once the swim portion is complete, participants will walk from the pool to the Transition Area to prepare for the bike portion of the race.

Transition Area:
The transition area (TA) is where the participants will place their bike, helmet, shoes, clothes, towel, etc.
- The TA will be marked off by age divisions. You will set up your gear prior to the race starting so please plan on arriving early.
- Please make sure your bib is pinned to the shirt being worn for the bike and run.
- Once the race begins no parents will be allowed in the TA except for 1 parent per participant in the 5-6 year old division.
- The TA will be used between the swim and the bike and the bike and the run.
- The TA is supervised at all times.
Bike Course:
Please walk your bike through the transition area to the beginning of the bike course. The course will be clearly marked for each age group. Please make sure that you have a shirt with your bib attached and a helmet. Participants will not be allowed to continue without a helmet. After the bike course you will drop off your bike in the TA and prepare for the run.

Run Course:
Upon completion of the bike portion, participants will head out for the run. Each age division will have a specific turn around spot which will be clearly marked with signs and staff/volunteers. Runners all finish up at the same finish line.
