All camps are conducted by our Oak Park Director: Coach Paul Garron, USPTA certified elite pro, and our highly trained coaching staff. TTA has been running popular tennis camps in Ventura County for over 17 years. All players will refine and improve their technical and tactical skills with progressions and cooperative drill training. All campers need to bring: tennis shoes, racquet, sun block, hat and water to camp. Players will be divided into groups based on their skill levels. A $5 material fee is payable to the
instructor first day of camp. Location: Oak Park High School. Daily fee: $33 (not available for online registration. Must register at Oak Park Community Center).
