Registration and Refunds
Register online at rsrpd.org or using a kiosk at the District Office or Rancho Santa Susana Community Center. Registration closes at 5:00 pm on Thursday in advance of the next week’s camp. After 5:00 pm Thursday, registration will only be accepted at the District Office based on availability.

Register for the entire summer or add additional weeks/days as you go along. Don’t wait too long though! Camps are subject to reaching their maximum attendance numbers so advanced registration is strongly recommended.

To participate in the first week of camp, the registration process must be completed by 5:00 pm Thursday, June 7 in addition to our ePACT emergency network.

Refunds (less a $5 administration fee) will be issued if notice is received by 5:00 pm the Thursday prior to the start of the camp week. No refunds are given after that time.

Additional registration through ePACT is required.
Optional field trips are available for an extra fee. Field trips give children the opportunity to have fun as they safely explore their world. Transportation is provided by Simi Valley Unified School District buses. A list of field trips available at each camp can be found below. **For your child’s safety, a RSRPD Camp T-Shirt must be worn on all trips.** A few field trips include lunch, otherwise field trip lunches must be packed in a paper sack (not a lunch pail) with the child’s name printed clearly on the outside. Send only disposable drink containers. All food and drink items will be discarded at the field trip site.

**Field trip spaces are limited.** Registration closes when trip’s maximum capacity is reached. A wait list will be maintained after the maximum capacity is reached, but children on the waistlist are not guaranteed a space on the trip.

**Amusement and Theme Park Trips:** Some facility attractions may be closed or bypassed due to maintenance, usage criteria, long lines or the discretion of staff. On these trips, children will be divided into groups based on interest as well as facility requirements. We cannot guarantee that children will experience all of their favorite attractions.

**Water/Aquatic Trips:** Please pack items into one disposable grocery bag and limit content to appropriate and necessary items: sunscreen, change of clothes, towel and money. Participants should be dressed in water gear, including water shoes, prior to arrival at camp to maximize participation at water facility.

Illness
Children who are ill will not be admitted to the Summer Camp. If a child becomes ill while attending the Summer Camp, parents or authorized persons will be contacted to pick up the child. Children cannot attend the Camps if the following occur:
• A fever over 100 degrees
• Vomiting or Diarrhea with or without fever
• Presence of lice or nits
• Unexplained rash with or without fever
• Unexplained discharge from eyes, ears, nose, mouth or skin

There will be no refunds or transfers due to illness.

Accident and Injuries
If a child becomes hurt or injured at Summer Camp, appropriate first aid will be performed. Parents will be notified of all injuries in writing or by phone. For accident or injuries that require immediate medical attention, 911 will be called and parent or emergency contacts will be called as soon as possible. The program will always have a trained first aid and CPR certified staff member on site.

Medications
A signed permission slip authorizing the staff to administer medication (prescription or over the counter) must be on file. Medications must be accompanied by a doctor’s note and signature. All medication must be in the original container or prescription bottle, with instructions for administering medication on the label.

Money, Valuables, Electronic Games
Money and Valuables: Money and valuables should not be sent to camp with your child unless authorized by the Camp Director for a special event or field trip. When authorized, money should be put in a sealed plastic bag and indelible ink marker used to write the child’s first and last name and the amount of cash in the bag. Bags will be collected when the child arrives at camp and returned to them when needed.

Electronic Games: Electronic games should not be brought to camp except on designated days. Lockers and check-in facilities are not provided at the camp sites and the District is not responsible for any damaged or lost items.

Pick Up Procedures
Children must be signed out daily from Camp. PHOTO ID WILL BE REQUIRED. Parents or guardians must notify the Camp Director in writing if a child will be picked up by a person not already designated on the pick up list. A $10 fee per 15 minutes, or portion thereof, will be assessed for late pick up. Children who have not been picked up by 6:30 pm may be released into the custody of the Simi Valley Police Department. Repeated late pick up can be grounds for dismissal from the program.

Discipline
The Summer Camps strive to provide a safe environment and program for all participants. For the protection and harmony of all children, we have established a “Code of Conduct” which all children are required to follow:
• All persons shall act with respect towards other persons, respecting their privacy and personal safety.
• Physical or verbal abuse of any kind will not be tolerated.
• All persons shall treat public and private property and equipment with respect.
• Program rules and regulations shall be observed at all times.

A violation of this code could result in the child’s suspension or dismissal from the camp without prior notice. Depending upon the behavior issue, severity, and frequency, actions may include:
• Staff speaking to the child.
• Child removed from a particular activity.
• Director calls and/or meets with the child and their parent(s).
• Participant Behavior Contract is written.

Lunches
Children must bring a sack lunch to camp each day unless otherwise notified. Please write the child’s name on the lunch! Daily snacks are provided.

Special Situations
Any special circumstances, situations, physical and/or financial arrangements should be brought to the attention of the Summer Day Camp Recreation Coordinator.

Before and After School Clubs resume Wednesday, August 15. See rsrpd.org for details.
